VEEC Assignment Form: Solar Water Heating (Activities 1C, 1D, 2, 3 and 4)

Consumers who have decommissioned low efficiency water heating products and installed solar water heating products (including the installation of solar pre-heaters or solar retrofit kits) can create Victorian energy efficiency certificates (VEECs) under the *Victorian Energy Efficiency Target Act 2007*. Consumers can assign their right to create and own the VEECs to the accredited agent Green Energy Trading. In return the consumer will receive an identifiable benefit such as price reduction, free installation or cash back arrangement. It is the responsibility of the consumer to negotiate the terms of the benefit. One VEEC represents one tonne of carbon dioxide equivalent (CO₂-e) to be reduced. Refer to the Essential Service Commission website for further details www.esc.vic.gov.au.
